NSD NATIONAL CTE LETTER OF INTENT SIGNING DAY 2025

FOCUS ON Your FUTURE
PIMA'S ANNUAL HIRING & CAREER NETWORKING EVENT

About National Signing Day

Just as we value athletes who commit to play a college sport, the signing day ceremony is designed to honor students who commit to completing a program at Pima.

High school students, parents, instructors, administration, counselors, industry partners, potential employers, local and government officials and the local media will come together in-person to share in this special day.

About Focus on Your Future

More than 40 employers will be onsite to offer current and future students opportunities to network and to learn about internships, apprenticeships and career exploration in, but not limited to:

- Automated Industrial Technology
- Automotive Technology
- Building & Construction Technologies
- Business, Accounting, Marketing
- Computer-Aided Design
- Criminal Justice
- Energy Technology
- Health Related Professions
- Infomation Technology
- Machine Tool Technology
- Veternary Services
- Welding
