

Bob Berry Motorcycle Rider Education Fund

Application Form

Bob Berry spent much of his life dedicated to teaching others a foundation for safe motorcycle riding. As a certified Motorcycle Safety Foundation RiderCoach and as key education leadership within Gold Wing Road Riders Association (GWRRA), Bob went above and beyond for his students and colleagues. It is a privilege to honor Bob by establishing this fund in his name; assisting future riders to acquire skills and the foundation needed through Pima Community College's Motorcycle Rider Education Courses.

IMPORTANT: In order to help as many learners as possible, step one is to apply for a scholarship at www.amsaf.org/scholarships. AMSAF's scholarship is first come, first served on a monthly basis. Your AMSAF commitment is \$100 and AMSAF issues a \$225 voucher toward the Basic RiderCourse tuition of \$270. **If awarded funds from the Bob Berry Motorcycle Rider Education fund, they would supplement the remaining \$45 owed to take the course. Acceptance or denial of these funds will arrive via email.**

Describe your current need for funds, how they will benefit you, and if you have any barriers to applying for the AMSAF scholarship. Please use this space to explain.

I acknowledge that if I receive scholarship funds, the funds will only apply to my student account upon motorcycle class participation. If I am unable to attend class on my scheduled date, I will provide 7 days notification or I will be responsible for the entire class fee.
