INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Pima Community College Foundation, Inc.

Opinion

We have audited the accompanying financial statements of Pima Community College Foundation, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pima Community College Foundation, Inc. as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pima Community College Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pima Community College Foundation, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pima Community College Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pima Community College Foundation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

PIMA COMMUNITY COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

For the year ended June 30, 2023

1. Organization

Pima Community College Foundation, Inc. (the Foundation) was incorporated in the State of Arizona in 1977 as a nonprofit organization dedicated to supporting Pima Community College (the College) by securing private philanthropic support for scholarships, programs and other College needs, managing assets to ensure the best financial returns, and facilitating College development activities.

2. Summary of Significant Accounting Policies

Basis of Presentation and Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities. Revenue is recognized when earned and expenses are recognized when incurred.

Financial Statement Presentation

The Foundation reports information regarding its financial position and activities according to two classes of net assets (net assets without donor restrictions and net assets with donor restrictions) based upon the existence or absence of donor-imposed restrictions.

- Net assets without donor restrictions - net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the board of directors. Net assets without donor restrictions at June 30, 2023 includes \$1,269,184 designated by the board of directors as an endowment fund. See Note 8.
- Net assets with donor restrictions – net assets subject to stipulations imposed by donors and grantors. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the actions of the Foundation or the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the resources be maintained in perpetuity.

The Foundation reports contributions as revenue when received or unconditionally promised. The Foundation reports gifts of cash and other assets as net assets with donor restrictions if such gifts are received with donor stipulations that limit the use of the donated assets as to either purpose or time period. When a donor restriction expires, either through the passage of time or use of the monies for the purpose intended by the donor, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as net assets released from restrictions. Donor restricted contributions are reported as net assets without donor restrictions when the restriction is met in the same period the contribution is received.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Tax-Exempt Status

The Foundation is a nonprofit organization and is exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Therefore, no provision has been made for income taxes in the accompanying financial statements. The Foundation is classified as other than a private foundation under Section 509(a) of the IRC. There were no taxes paid by the Foundation during the year ended June 30, 2023. The Foundation's policy is to disclose or recognize income tax positions based on management's estimate of whether it is reasonably possible or probable, respectively, that a liability has been incurred for unrecognized income tax positions.

See independent auditor's report.

PIMA COMMUNITY COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
For the year ended June 30, 2023

2. Summary of Significant Accounting Policies, Continued

Tax-Exempt Status, continued

As of June 30, 2023, there were no uncertain tax positions that are potentially material. In addition, management is not aware of any matters which would cause the Foundation to lose its tax-exempt status.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances and highly liquid investments with an original maturity of three months or less. Financial instruments that potentially subject the Foundation to concentrations of credit risk consist principally of cash and cash equivalents and investment balances.

The Foundation maintains its cash in bank deposit accounts which may exceed federally insured limits. The Federal Deposit Insurance Corporation (FDIC) insures cash accounts at banks up to \$250,000 per institution. Investments held by other institutions are insured up to \$500,000 under insurance provided by the Securities Investor Protection Corporation (SIPC). However, SIPC does not protect against losses in market value. At June 30, 2023, there was \$12,932,396 in cash and cash equivalents and investment balances in excess of the FDIC and SIPC federally insured limits. It is the opinion of management that the solvency of the referenced financial institutions is not of concern at this time.

Accounts Receivable

Accounts receivable in the amount of \$82,660 represents expense reimbursements due from the College as of June 30, 2023.

Investments

In accordance with accounting principles generally accepted in the United States of America applicable to nonprofit organizations, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included with the change in net assets.

Office Furniture and Equipment

Purchases of office furniture and equipment having a unit cost of \$2,500 or more and an estimated useful life of more than one year are capitalized at cost. Donated office furniture and equipment meeting the same criteria is recorded at estimated fair market value on the date of the donation. Depreciation is calculated using the straight-line method over the estimated useful lives of five to ten years.

Deferred Revenue

Deferred revenue in the amount of \$88,347 at June 30, 2023 is comprised of \$25,447 relating to a services agreement with the College, and \$62,900 related to a conditional grant.

The Foundation was awarded a conditional grant during December 2021. The total amount of the grant is \$5,000,000 with a requirement to raise an additional \$10,000,000 over the period from December 1, 2021 through November 30, 2024. During the year ended June 30, 2022, the Foundation received a \$950,000 pre-payment from a donor in connection with this conditional grant. As of June 30, 2023, the Foundation had raised \$1,774,200 in qualifying contributions. As a result, the ending balance in deferred revenue as of June 30, 2023 is \$62,900. The Foundation recognized contribution revenue in the amount of \$777,430 during the year ended June 30, 2023 in connection with this conditional grant. Additional revenue will be recognized, in accordance with the grant agreement, as additional matching funds are raised by the Foundation.

See independent auditor's report.

PIMA COMMUNITY COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
For the year ended June 30, 2023

2. Summary of Significant Accounting Policies, Continued

Donated Services, Materials and Facilities

Donated goods and facilities are valued at fair market value. Donated services are recognized in the financial statements at fair market value if the following criteria are met:

- The services require specialized skills, and the services are provided by individuals possessing those skills.
- The services would typically need to be purchased if not donated.

Although the Foundation may utilize the services of outside volunteers, the fair value of these services has not been recognized in the accompanying financial statements since they do not meet the criteria for recognition under accounting principles generally accepted in the United States of America.

Advertising

The Foundation expenses advertising costs as incurred. The Foundation does not participate in direct-response advertising which requires the capitalization and amortization of related costs. Advertising costs totaled \$42,163 for the year ended June 30, 2023.

3. Liquidity and Availability of Resources

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, are comprised of the following at June 30, 2023:

Cash and cash equivalents	\$ 178,007
Accounts receivable	82,660
Investments	<u>13,276,468</u>
Total financial assets available within one year	13,537,135
Less:	
Amounts not available to be used within one year due to:	
Board-designated endowment	1,269,184
Specified purpose	5,504,393
Subject to appropriation and expenditure - scholarships	240,210
Perpetual in nature	<u>6,197,822</u>
Total amounts unavailable for general expenditures within one year	<u>13,211,609</u>
Total financial assets available to management for general expenditure within one year	<u>\$ 325,526</u>

As part of the Foundation's liquidity plan, financial assets are structured to be available as general expenditures, liabilities, and other obligations become due. Board-designated endowment funds in the amount of \$1,269,184 could be released from restriction, if necessary, by a majority vote of the board of directors. The Foundation does not intend to spend from these board-designated endowment funds, except for amounts that may be appropriated for general expenditure in connection with the board's annual budget approval process.

See independent auditor's report.

PIMA COMMUNITY COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
For the year ended June 30, 2023

4. Investments

Investments are stated at fair value and consist of the following at June 30, 2023:

Mutual funds	\$ 8,827,441
Fixed income	4,449,027
Alternative investments	180,308
	<u>\$ 13,456,776</u>

Investment income for the year ended June 30, 2023 consists of:

Interest and dividend income	\$ 545,325
Net realized and unrealized gain	102,376
Investment and management fees	(72,639)
Investment income, net	<u>\$ 575,062</u>

5. Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See independent auditor's report.

PIMA COMMUNITY COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
For the year ended June 30, 2023

5. Fair Value Measurements, Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023.

- *Mutual funds/fixed income*: Valued at fair value based on national trade listing.
- *Alternative investments*: Valued at the fair value as reported by the fund managers and may differ significantly from values reported on an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of investment assets measured on a recurring basis are:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,827,441	\$ -	\$ -	\$ 8,827,441
Fixed income	4,449,027	-	-	4,449,027
Alternative investments	-	-	180,308	180,308
Total investments	<u>\$ 13,276,468</u>	<u>\$ -</u>	<u>\$ 180,308</u>	<u>\$ 13,456,776</u>

The table below sets forth a summary of changes in the Foundation's level 3 investment assets for the year ended June 30, 2023:

Balance, beginning of year	\$ 196,682
Investment loss	(8,893)
Proceeds from sales	<u>(7,481)</u>
Balance, end of year	<u>\$ 180,308</u>

6. Office Furniture and Equipment

Office furniture and equipment consists of the following at June 30, 2023:

Office furniture and equipment	\$ 3,475
Less accumulated depreciation	<u>-</u>
Office furniture and equipment, net	<u>\$ 3,475</u>

See independent auditor's report.

PIMA COMMUNITY COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
For the year ended June 30, 2023

8. Endowment Funds

The Foundation's endowments consist of several individual funds established by donors and restricted for a variety of purposes and one board-designated endowment fund. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Foundation complies with the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as adopted by the state of Arizona with a focus on growth of such funds as well as the preservation of the value of the gift absent explicit donor stipulations to the contrary. The Foundation classifies as net assets with donor restrictions (permanent endowment) (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion, if any, of the donor-restricted endowment fund that is not classified in net assets with donor restrictions (permanent endowment) is classified as net assets with donor restrictions (accumulated earnings) until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by the UPMIFA. In accordance with UPMIFA, the Foundation considers, if relevant, the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation and (7) the Foundation's investment policies.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Foundation to retain as a fund of perpetual duration. There were no deficiencies of this nature to be reported as of June 30, 2023.

Return Objectives and Risk Parameters

The Foundation has adopted investment policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity or for a donor-specified period(s) and the board-designated endowment fund. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce an overall annualized total return above a customized index comprised of market indices weighted by the strategic asset allocation of the portfolio. These expected returns are to be calculated after the deduction of advisory and money management fees, transaction costs and custodial fees.

Investment Strategies

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints, however, interest-generating investments such as bond portfolios have also been utilized.

See independent auditor's report.

PIMA COMMUNITY COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS
For the year ended June 30, 2023

8. Endowment Funds, Continued

Spending Policies

The Foundation's spending policy allows the Board of Directors, each April, to establish the endowment distribution plan for the upcoming academic year by determining a distribution rate on endowment accounts. The endowment distribution plan is a budgeted allocation that commences on July 1 and concludes on June 30 of each year. The allocation for each endowment is calculated by applying the distribution rate to a three-year rolling average of the March 31 market values of the endowment accounts. The endowment principal will not be used to fund the distribution plan; only the current year and/or prior years' accumulated earnings of endowment funds will be expended.

Endowment net assets at June 30, 2023 are comprised of:

	Without Donor Restrictions	With Donor Restrictions	Total
Board-designated endowment funds	\$ 1,269,184	\$ -	\$ 1,269,184
Donor-restricted endowment funds:			
Original donor-restricted gift amount and amounts required to maintained in perpetuity by the donor	-	6,197,822	6,197,822
Accumulated earnings - scholarships	-	240,210	240,210
	<u>\$ 1,269,184</u>	<u>\$ 6,438,032</u>	<u>\$ 7,707,216</u>

Changes in endowment net assets for the year ended June 30, 2023 are:

Balance, June 30, 2022	\$ 1,266,361	\$ 5,554,418	\$ 6,820,779
Contributions	2,823	755,687	758,510
Investment income	-	438,171	438,171
