Frequently Asked Questions

How do I register?

Registering is easy! Visit <https://www.bikesignup.com/Race/AZ/Tucson/ElTourdeTucson> and click the big orange button that says “Register Today”. From there fill out the form with your information and make sure to select “Select A Non-Profit to Ride or Fundraise For (age-based pricing applies)”. If you need step by step instructions, please visit <https://pimafoundation.org/eltour/> and click on the link for “How to Instructions for Registration.”

Do I have to set a fundraising goal?

While it is required to set a goal, we do not have a specific amount for you to set. You may set the goal to your preference, and we’re not requiring you to reach the goal, rather encouraging you to do help our efforts. When you set a fundraising goal, any money donated towards your goal will go directly to Pima Foundation’s \$7,500 goal, a goal that will go directly towards non-institutional scholarships, enhanced academic programs, and improved campus facilities.

Do I have to ride a specific race?

No, you can choose any ride or run event that is for a non-profit.

Where are we meeting the day of the event?

It is decided that since participants are cycling and runners are participating in different races with various start times, we will not be meeting as time to run or ride as one. You may run or ride with your friends or family members at your own pace.

How can I buy a jersey?

Team jerseys are available on our website and will need to be placed by October 18th as it takes 3-4 weeks for processing through a third-party vendor. You will be notified when your jersey is ready for pickup at our office –
