# Building and Construction Technology

PimaCommunityCollege

From 2,500 sqft.  
to **25,000** sqft.

## Why Support Us?

Pima Community College's Building and Construction Technology program is the heartbeat of our community. By supporting our fundraising goals for equipment purchase, you're not just buying tools – you're investing in a brighter future.

- ✓ **Empowering Student Learners**
- ✓ **Meeting Industry Demands**
- ✓ **Local Impact**
- ✓ **Economic Growth**

Your support will provide the facility with top-of-the-line equipment and program support to unlock a thriving workforce pipeline.
