From there fill out the form with your information and make sure to select “Select A Non-Profit to Ride or Fundraise For (age-based pricing applies)”. Do I have to set a fundraising goal?

While it is required to set a goal, there is no specific amount we are requiring individuals to fundraise. You may set the goal to your preference, with no penalty if you do not reach your goal. We encourage all fundraising efforts! When you set a fundraising goal, any money donated towards your goal will go directly to Pima Foundation’s $7,500 goal, a goal that will go directly towards non-institutional scholarships, enhanced academic programs, and improved campus facilities.

Do I have to ride a specific race?

No, you can choose any ride or run event that is for a non-profit.

Where are we meeting the day of the event?

It is decided that since participants are cycling and runners are participating in different races with various start times, we will not be meeting as time to run or ride as one. You may run or ride with your friends or family members at your own pace.

How can I buy a jersey?
